

Privacy Policy ^{1.0}

Non-personal identification information

We may collect **non-personal** identification information about users whenever they interact with our application(s). Non-personal identification information may include technical information about user's smartphone, tablet or smart-TV including a certain level of access to hardware (depending on requirement of any application to be fully operable).

Sharing your personal information

We **do not** sell, trade, or rent users personal identification information to others.

Changes to this privacy policy

VCatalyst has the discretion to update this privacy policy at any time. When we do, we will notify users **beforehand**. We encourage users to frequently check this page for any changes. You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.
